Handbook

Mishawaka High School Band

A Note From Your Directors

Welcome to the 2022 – 2023 Mishawaka High School Band! We are ready for another fantastic year together and cannot wait to get started with marching band.

Please take time to read through this handbook to find important dates, expectations, grading procedures, dress requirements, etc. Keep the handbook around for future reference! There is also a PDF copy on our website.

We do our best to get you dates very far in advance. Please help us by getting these dates in your personal and/or family calendars.

We hope you enjoy your summer break, and we are excited to see you again at band camp!

Band Camp

We will have daily rehearsals for two weeks to prepare for the fall marching season at **Mishawaka High School beginning on Monday, July 25th from 8:00 am until 12:30 pm** (see calendar). These are *required* for participation in the Mishawaka High School Band. It is extremely important to have everyone at these early rehearsals to prepare for our fall marching band performances. If you must miss a practice for any *excusable* reason, it is your responsibility to either call or email us as soon as possible.

Once the school year begins, the Monday and Wednesday evening rehearsals are also required (see Grading Procedures and Important Dates).

We understand that some band members will be Dancers and Color Guard members. Please remember that your attendance at these practices is also part of your participation grade in band. During band class, you will be expected to play your band instrument.

All band members are expected to be at Band Camp and these rehearsals with the exception of football players and varsity cheerleaders. Students in other sports will share practice time with the band. Other sports: Tennis, cross country, volleyball or soccer, provide us with a copy of your practice schedule so that we know when to expect you at band practice. Communicate! If you have questions about your specific situation, reach out to Mr. Chamberlin.

We will always meet in Alumni Plaza for our Marching Band rehearsals - corner of Homewood and Studebaker by the football field.

Band Camp

(Continued)

To be ordered at Band Camp – Cash or *Checks made out to Mishawaka High School Band*

- Black Marching Band Shoes \$35
 - Every person marching needs a pair of these shoes. If you have a pair from last year that still fits, you're good to go. If you would like to use a pair of used shoes from our collection, you can do that.

- Flip Folder/lyre for your marching music - \$15
 - We have trouble with these every year (they are confusing and different for each instrument). We will purchase these for all freshmen and you can buy them from us at camp. If you still have yours from last year, you're good to go.

- Band Shirt – FREE!
 - Thanks to our shirt sponsors! Please provide your size on the order form. If you want an extra shirt, they are \$10 each.
 - We would like everyone (all grades) to put their shirt size on the order form. Everyone is getting a new shirt.

A Few Rules/Reminders

- ❖ Please remember that the high school will have been cleaned for the new school year. Stay in the music area of the building. There will be areas of the building which are “off limits” due to cleaning and construction. Please help to keep the building and grounds clean. Pick up after yourself!
- ❖ You will want to drink lots of water before and during the rehearsals. Bring your own water bottle or jug that will hold lots of water and keep it cold. No food, gum or drink is allowed in any indoor rehearsal area. Our boosters will provide a snack, but please eat breakfast and drink water before you come.
- ❖ Summer clothing should be worn, but it must be acceptable and follow the MHS rules. Always wear shoes – no flip flops, slides, sandals, Crocs, etc! This is for your own safety.
- ❖ Please post the attached band calendar for 2022-2023 on your bulletin board at home and refer to it throughout the school year. Also, give your parents and employer a copy. Employers will excuse you for rehearsals and performances if you inform them far enough in advance. Remember, we cannot excuse you from a band event due to work. This is a co-curricular class (not extracurricular).

Grading Procedures

- If a student must miss a rehearsal or performance, the band director **must receive a note, phone call or email from the parent** one day in advance for rehearsals and two weeks in advance for performances describing why the student will be absent from the rehearsal or event.
- The band director will determine whether the absence is excused. Generally, the only excuses will be for illness or death in the family, a required religious observance, or any other excuse which would be acceptable to excuse a student from classes at MHS.
- Work is *not* considered a valid excuse for missing any required rehearsal or event. Don't surprise them. Keep them informed in advance.
- Students will be required to complete a make-up assignment for an excused absence from any performance. This will be a playing test. If the band directors determine that a requested absence is unexcused, the parent will be notified as soon as possible. A make-up assignment will not be offered for an unexcused absence.
- All public performances representing Mishawaka HS regardless of location or time of day are considered a major graded event. This includes all concerts, community events, adjudicated ISSMA contests and invitational events.

Unexcused Performance Absence – final grade of “F” for the six week grading period in which the unexcused absence occurs.

Second Unexcused Performance Absence – possible dismissal from band and loss of credit

- A student's failure to participate, not having the proper equipment, being late for rehearsals or performances, or failing to exhibit proper behavior will also result in a lower grade.
- Students will be required to perform playing tests on their instrument as part of their grade. The remainder of their grade will be based on class participation.

Our wonderful Band Boosters will help to feed the Pep Band members dinner before every game!

We will meet early to eat and have a short rehearsal before each game. We will perform at 12 events in the winter months (mostly basketball games). If you choose to participate in this voluntary activity, you will be committing to all 12 games. If you must miss a game, please let us know in advance so we can make accommodations.

The goal of this format is to make the Winter Pep Band strong, consistent, and fun for the dedicated “Pep Banders” who love being at the games. We will help provide the best game atmosphere in the NLC!
